**General Description:** "Every great beach deserves a great hotel" this was said by Laurance S. Rockefeller, who founded by Mauna Kea Beach Hotel in 1965. He knew the great beach at Kauna'oa also deserved spectacular golf and exceptional dining to accompany the most exclusive and expensive resort of its day. Five decades later, following the completion of \$150 million repair and renovations (in 2009 & 2013), Mauna Kea Beach Hotel continues to stand as a landmark of luxury on Hawaii Island's golden Kohala Coast.

In the restaurants exciting sights, sounds, scents and sensational tastes elevate the dining experience. The legendary Robert Trent Jones, Sr. designed Mauna Kea Golf Course, updated by Rees Jones in 2008 to current USGA standards of play, has set the benchmark for Big Island golf. Gracious guestrooms showcase Mr. Rockefeller's signature "understated elegance" in a graceful fusion of modern features and fabulous style.

With a timeless tradition of aloha, beachfront Mauna Kea Beach Hotel welcomes guests to be inspired by the past, embraced by the moment, enchanted by warm tropical days and exciting possibilities ahead as it celebrates 50 years—and beyond—of timeless magic.
